

WHAT IS SAFEHOMES?

The *SafeHomes* Program offers an opportunity for parents to join together to help provide a safer environment for their children. It does not require a commitment of time or extra effort for already busy families. It is simply a public agreement between parents to follow some simple principles that will provide a genuinely safer world in which our teens can grow and thrive.

WHAT IS REQUIRED IF I JOIN SAFEHOMES?

Read the pledge to your teens and explain that, while they may not now understand the purpose, you have joined out of love for them. Then, live up to the requirements of the pledge without fail.

Parents simply supervise social gatherings at your home and restrict the use of alcohol and other drugs. The SafeHomes pledge will be renewed on an annual basis. You are not obligated to work, volunteer, attend meetings, or spend any of your time or effort. Just follow the pledge.

If you have further questions, please feel free to contact the *SafeHomes* Coordinator, Rachel Truckenmiller at (518) 736-8188.
