

Mayfield Central School

Learning Fair Summary

PreK-6

Project summary is to neatly written or typed and must include the following:

Name: _____

Group Members: _____

Teacher's name: _____

Title of Project: _____

Objective: (What did you intend to accomplish with this project?)

Procedure: (What did you do to prepare this project?)

Conclusions: (What did you learn from this project?)

Reflection:

- What would you do differently next time?
- What would you do the same next time?
- What new science methods or processes did you learn?
- Did you make any "mistakes" that helped you to learn the process of science investigation?
