

DISTRICT AND BOARD OF EDUCATION GOALS 2016-2017

"Every Day Students Will Be at the Center of Our Every Decision"

- Increase Our 4 Year Mayfield Student Cohort Graduation Rate to 92%.
- Design and implement a student to student mentoring program both among and between the two buildings.
- Increase student achievement proficiency rates on Grades 3-8 state assessments in Math 3%, ELA 5%, and HS Regents Exams 2%.
- Continue student achievement proficiency rates on Grades 4 and 8 state science assessments at the 90% or better level.
- Increase student achievement mastery rates on Grades 3-7 state assessments in math and Grades 3-8 ELA 3% each, and HS Regents Exams 2%.
- Develop a cohesive and collaborative RTI process which is student centered and data supported.
- In grades 4-12, increase extra-curricular membership/participation by students to 45%.
 - Extra-curricular programs to include one activity/meeting per month.
 - At least one activity should be service oriented.
