Bus Garage Services

30 Day Inspections:

Includes identifying information on the vehicle, maintenance records, inspections, etc. Adheres to the 30 day checklist requirements.

Vehicle Maintenance:

Offering service on day-to-day maintenance issues for districts without machinery/ tools or time to resolve problems in their own facilities.

DOT Inspections:

The DOT has planned monthly inspection times at the Mayfield Bus Garage. We offer pre-DOT inspections of vehicles, ensuring your vehicle has the best chance of passing inspection and getting back out on the road. Pick-up and drop-off available.

Brake Inspections:

Offering full in-house brake inspections. Including brake pedal, brake fluid, brake lines and hoses and brake assemblies.
